

# Child Crisis Center 2008 Donors

The donor list reflects donations made from **January 1 – December 31, 2008**. As a grassroots agency, we depend on every individual who so generously shared their resources to nurture and protect the children we serve.

Special thanks to our United Way donors who designated the Child Crisis Center for their gift. We do not have access to all the names of the designated donors, but wish to thank each one for their support. Special thanks also to our generous in-kind donors who have helped us with everything from clothing for the children to major remodeling of our facilities. We appreciate all you do to help our children.

Every effort has been made to insure the accuracy of this list. However if you find that your name has been misspelled, omitted, or listed incorrectly, please let us know so that corrections can be made immediately.
