The GAP Donates Valuable Time to CCC

April 1, 2009

Amy Harris and her co-workers from The GAP have adopted the Child Crisis Center this spring and boy, have they spoiled us! GAP store managers and a district manager graciously volunteered to help stuff and seal approximately 5,000 envelopes containing invites to the Center's upcoming Gala, saving hours of staff time and money for the Center. The GAP Outlet locations in Casa Grande, Anthem and at Arizona Mills Mall are hosting a "Summer of Fun" Swimsuit Drive, collecting swimsuits for our children at the shelter and our adoption & foster care families.

The Center's Adoption & Foster Care program moved from its Tempe location into our Family Resource Center this month to help the Center save money, and employees from local GAP stores were right there pitching in, packing and moving offices for us. In addition, The Gap Foundation will also be supporting the Child Crisis Center financially through a grant based on the number of hours their employees volunteer with us. We've really appreciated all the support The Gap has shared with us this spring.
